Goenka College of Commerce and Business Administration has preserved a provision for **WISH LIST** where applicants willing to take admissions for B.Com. (Hons.) and B.Com. (Hons. With Research) for the academic session **2023-24** are required to register themselves following the steps outlined below.

- Applicants whose names were published in the **Provisional Full Merit List** (for Day and Morning) and who are **awaiting their turns for admissions** are only eligible to register themselves under the WISH LIST.
- Applicants who have already been called up for admission under **Admission Schedules 1 – 7** are **not eligible** to register under WISH LIST.
- **Valid and eligible** applicants who are willing to take admission **must register** themselves under the WISH LIST following the link available in the admission portal.
- The registration link will be open from **04.08.2023 (Friday) 7:00 pm to 08.08.2023 (Tuesday) 4:00 pm**.
- The applicants may register themselves under the WISH LIST following the below mentioned procedure:
  - (a) **Log-on to your account**
  - (b) **Click on the link: “Click Here for Wish List Registration”**
  - (c) **Your opted shift (“Day” if you have applied for only Day/ “Morning” if you have applied for only morning/ “Day” and “Morning” if you have applied for both Day and Morning) will appear on the screen along with a drop down menu.**
  - (d) **Select whether you are willing/ not willing from that menu to be considered for admission under the respective shifts.**
  - (e) **Click on “Submit”**
  - (f) **A confirmation message will appear which completes the process of registration.**
- A new merit list for both Day and Morning shifts will be created and notified in the portal with the names of only those applicants who have been added to the WISH LIST.
- Following the implementation of the WISH LIST, subsequent admission schedules (from **Admission Schedule 8**) will be compiled from the new merit list, which will include only those applicants who have registered through the WISH LIST. Henceforth, the provisional full merit list will be **deemed invalid**.
- Admission from the WISH LIST will be based on **merit and available vacancies** in a particular category in both Day and Morning shifts.
- Incorporation of name in the WISH LIST **does not guarantee admission**. However, an applicant's candidature would be disqualified if he/she **fails to register** himself/herself in the WISH LIST. Any unregistered applicants **will not be considered** for admission in future.
